

## Save Time and Make Better Shades!

### Manual or Motorized

RollEase Expressly Yours® is the fastest and easiest way to get a made-to-order operating system delivered to your door.

### It's Easy To Order

Just send in a completed Expressly Yours order form, and we'll build your made-to-order lift system. Feel free to call our customer service department toll free if you have any questions. Then, while you're sewing your shade, our skilled fabricators will build your system to your exact specifications. Most orders ship within 5 business days of receipt of your order. 24-48 hour turnaround service is also available.

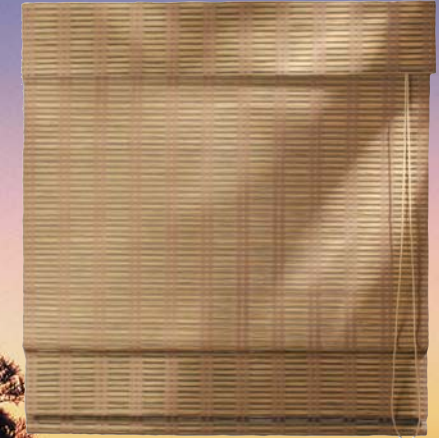

Send us some of your fabric and we'll even cover the mounting-board to match your shade.

### Easy To Attach Shade

A few days after we receive your order we'll ship your lift system via UPS with easy to follow instructions on how to attach and string your fabric to the mounting board or headrail. That's it! Just attach and string your shade then mount in your window. Motorized shades simply plug in or use a battery pack.

# Manual or Motorized Roman Shades, Woven Woods, Fabric Roller, Roller-Roman Shades

## Making Better Shades Is Easier Than Ever

Expressly Yours is a fabrication service featuring a made-to-order manual or motorized lift system for all types of Roman Shades, Roller Shades, Fabric Roller Shades, Roller-Roman Shades and Aluminum Headrail Roman Shades. Manual systems feature the patented and award winning RollEase Manual Clutch System and Motorized Shades are powered by Somfy® motors and controls.

When you use the Expressly Yours service, there is no need for you to keep large quantities of components in inventory, spend time assembling the system or study wiring diagrams. Motorized shades simply plug-in or operate on batteries. Shades are operated by wireless remotes, wireless wall-switches and even an easy-to-program and easy-to-use date/day/hour automatic timer.

You can focus on designing and sewing beautiful soft shade treatments, leave the manual or motorized fabrication to us.

## Many Benefits

You'll choose the Expressly Yours service for all of your operating system requirements because it's the easiest and fastest way to get a genuine RollEase System. Plus, we've taken the mystery and complexity out of motorization by making it easy-to-order, easy to-install, and easy-to-use.

### MANUAL

#### Traversing-Shaft Clutch System:

Lowest pull forces on Roman Shades up to 30 lbs.

**Roller-Roman Clutch:** Faster raising on Roman Shades up to 40 lbs.

**Headrail Roman Shade Clutch:** Small space aluminum headrail. For Roman shades up to 10 lbs.

**Roller Shade Clutch:** Stand alone roller shade or coordinates nicely behind drapes with matching fabric. For sunscreen or fabric roller shades up to 8 lbs.

### MOTORIZED

Use a wireless remote, wireless wall-switch controller, or a wireless programmable day/date/hour timer.

**Roller-Roman:** Motorized convenience on Roman Shades up to 15 lbs.

**Roller Shade:** Stand alone roller shade or coordinates nicely behind drapes with matching fabric. For sunscreen roller or fabric roller shades up to 15 lbs.

Try Expressly Yours today.

## Also Available:

### Orbs®

A quick leveling device for the RollEase Workroom System, or any Soft Shade Operating System. Easily level a shade with a greater degree of accuracy.

### No-Sew Roman Bars™

Sheer and sunscreen fabrics are being used more than ever in Roman shades. RollEase patented No-Sew Roman Bars, constructed of clear polycarbonate that resists discoloration, provides a clean look and work great with these hard to sew fabrics.

Manual Clutches come with a lifetime warranty.  
Motors come with a 5-year warranty.
